

# UK Residential Energy Performance Dashboard

An analysis of energy efficiency and CO2 emissions by region, property type, and tenure from 2013-2023

Region Name

All

Period

All

3.14

Avg. CO2 Emissions (tonnes/year)

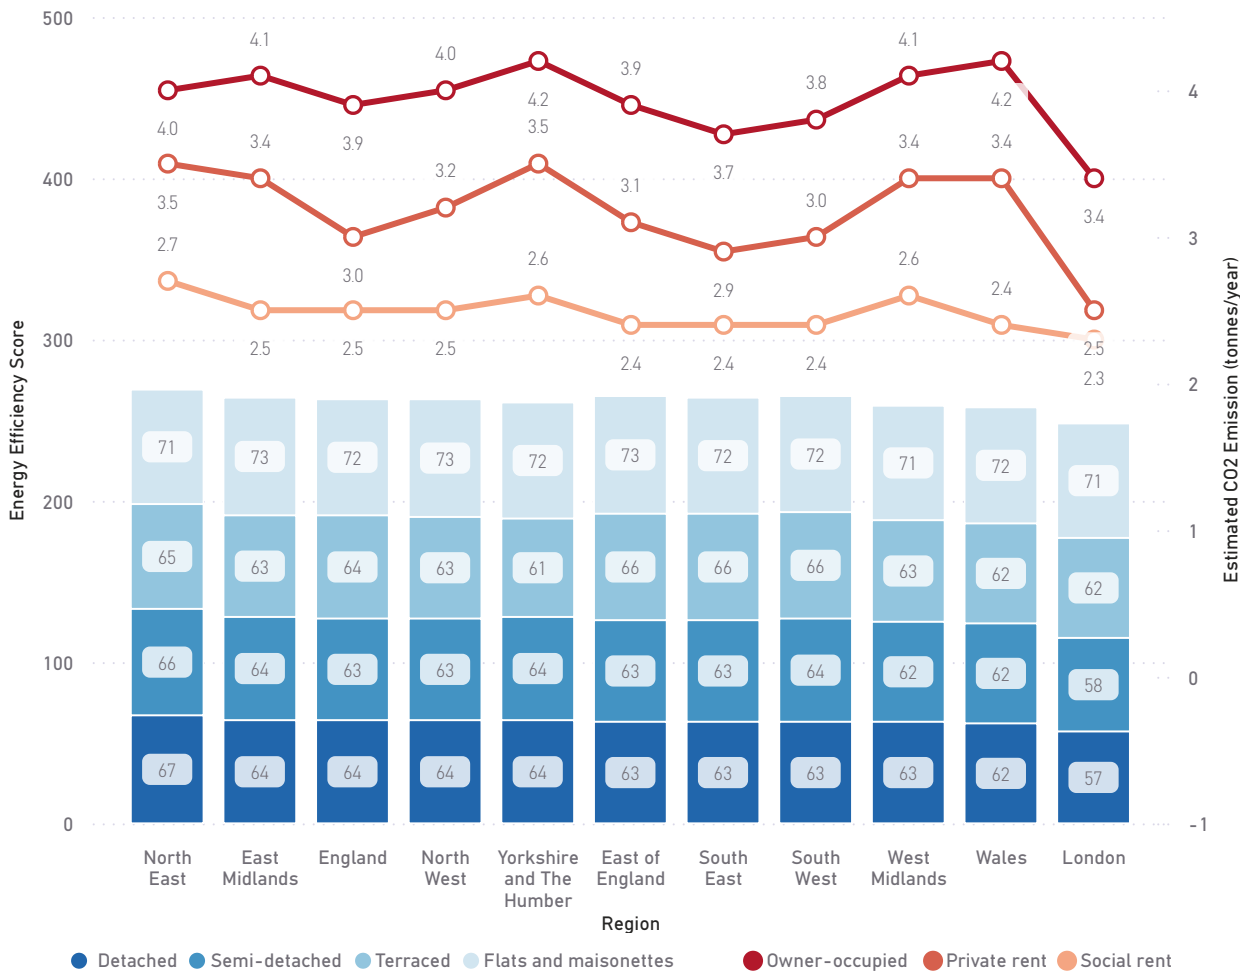

66

Average Energy Efficiency

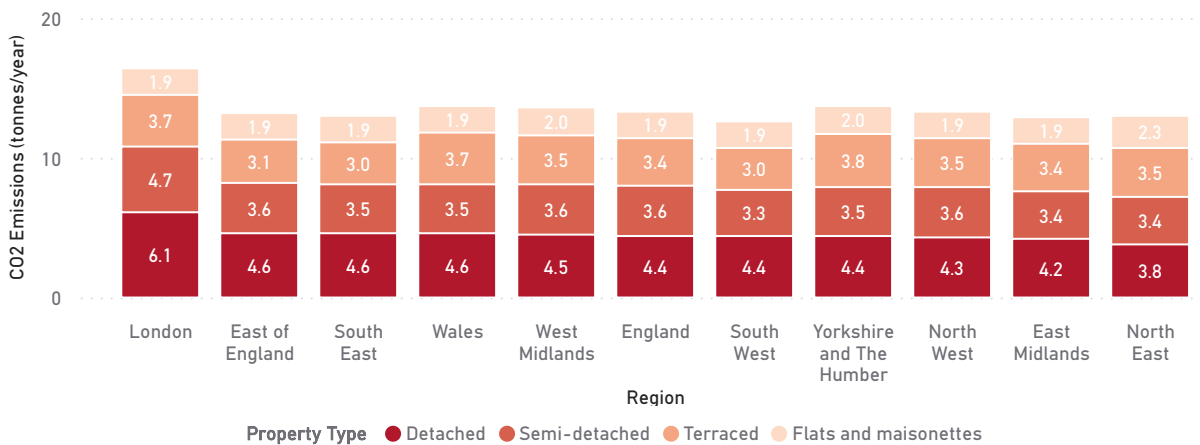

11

Number of Region

A Comparison of Energy Efficiency and CO2 Emissions Across UK Regions  
Segmented by Property Type and Tenure

Estimated Carbon Dioxide (CO2) Emissions by Property Type and Region

Energy Efficiency of Housing by Property Type in 5-Year Periods from 2013 to 2023
